

**CANDIDATE FOR MEMBER OF THE STATE ASSEMBLY
65TH DISTRICT**

NAME: RITA RAMIREZ-DEAN, Democrat

AGE: 63

OCCUPATION: Retired College Professor

If you have had **ENOUGH** and want the "American Dream" and someone who really cares what happens to you, **Vote** for me, Dr. Rita Ramirez-Dean, because I believe in people.

- Beliefs: I believe in a living wage for working families. I believe in more jobs for Californians and oppose outsourcing. I believe in the dignity of all people - no one should be on the outside looking in. I believe healthcare for all California citizens is a right, not a choice.
- Commitments: I am committed to providing quality education by having money remain in local hands. I plan on encouraging and helping small businesses via low interest or interest only loans. I will fight for affordable healthcare for all citizens of California, and I am committed to **legal** immigration for all.
- Background: I am a third generation native Californian. I have been a community college professor and public school educator for 38 years and a proud member of the California Teachers Association and California Retired Teachers Association for 40 years. It was my privilege to be elected Trustee for Copper Mountain Community College, Joshua Tree, California.
- Education: Doctor of Philosophy; Certificate of Education Specialist; Master of Arts, Education; Bachelor of Art, History and Mathematics.

I want to right the wrongs and provide justice for all California citizens. I am tired of California citizens being ignored and neglected by their elected Representatives. I want to represent the people, answer their needs and improve their lives. Your vote counts!
